

**Heather Constance Pepper (nee Campbell) (1964)**

October 30th, 1946 - August 29th, 2026

It is with great sorrow we lay our mother to rest. Left to mourn are Heather's children Ross and Claire, grandmother to (Evan), sister Eleanor, aunt to Susan, Jennifer and Bruce, Laura and Pam, mother-in-law to Derek, stepmother to Laura, many fond neighbours and longtime friends, Predeceased by partner Richard Findlay, sister Islay and best friend Lally.

After graduating from Vic High, and having her two children as a single parent, Heather moved onto more education at the University of Victoria. A BA English Literature/ other interested courses in Psychology, women studies and film. Heather was passionate about Poetry and was a solid member of a women's Poetry group called the "The Gadrian Group" which published 5 soft cover books. Heather was fond of film, books, art, music, theatre, travel and the news, keeping current in the larger world issues.

Our mother was good with people from all walks of life. She made people feel heard and validated! Heather advocated for those who have been marginalized, who suffered loneliness, disabilities, aging, mental health and poverty.

Heather was also thrilled about travel. Osaka with sister Eleanor to see her son Ross. The Orkneys, Quebec. Dream trip Rome, Florence, Venice, Greek islands, Croatia and Ephesus, Turkey with Richard and Claire/Derek in 2016.

Heather's beautiful soul is imprinted in our minds and hearts as courageous and captivating! Full of mystery, compassion, empathy, great intelligence, imagination and keen intuition which she passed on to her children.

They say you only get one mother in this lifetime! We are honored and forever grateful she was our mother!

Mom, we will miss you more than words can convey. We love you and cherish you always.
