

Vic High 40th Reunion

"Classic Car & Hot Rod Cruise"

In conjunction with the upcoming "1971 / 2011" 40th Vic High Reunion on August 13th, 2011, we're going to organize a "Classic Car & Hot Rod Cruise" event, preferably with pre-1971 vintage vehicles, but we're leaving it open to include anyone that would like to come along for the drive with whatever they happen to be driving these days!

The plan is to take a leisurely drive around town, passing by some of Victoria's more scenic spots, and finishing up at one of the local A&W's for a burger, a root beer, and a social.

We'll supply a finalized route map to all of the folks that are interested to join us and hopefully there will be a reasonable number of pre-1971 classic vehicles or hot rods so that we can turn a few heads along the planned route! If you are going to join our cruise and have enough space in your vehicle to include some of our "out of town" classmates that will be in Victoria to attend the reunion, please let me know so that I can arrange for any interested folks to "ride along" and be part of the cruise.

If you are interested in participating in our Vic High 40th reunion cruise event (with or without a vehicle) and would like more details, please contact Al Page by phone at 250-388-0705 (phone, message, and fax) or email me at lapage@telus.net.
