

MORRIS, Fay

February 2, 1930 - August 28, 2012

Class of '47

With hearts torn asunder, Fay is survived by her treasured family: son Blair, granddaughter Laura, daughter Shelley, sister Joan (Bruce) Bennett, much loved nieces and nephews in the Bennett and Morris families, and her best little buddy, Tuck. A brilliantly talented professional figure skater, Fay stepped out of the spotlight and dedicated herself to her family. Words are inadequate to describe the heart, wisdom, courage, commitment and strength of this remarkable woman and her impact on our lives. In recent years her world was close to home. Undaunted, she learned the computer, became a passionate advocate for captive elephant welfare and created a network of friends around the world. We are devastated to lose our darling mother, nana, sister and aunt, yet comforted by the certain knowledge that she is reunited with the love of her life, husband Doug; beloved son Trevor; and long-missed parents, George and Phyllis Chestney. Mum, you gave us absolutely every bit of your heart and we will love one another in the same way you taught us. No service by request. Donations in memory may be made to The Cridge Centre for the Family Respitability Program, Victoria, BC or The Elephant Sanctuary, Hoenwald, Tennessee.
