

Joyce Flett (nee Applegate)

FLETT, Joyce 1917- 2011

It is with sadness that the family of Joyce Flett (Applegate) announces her passing, Tuesday, May 31, 2011 in Victoria, B.C. Joyce was born in Victoria in 1917 and she died close to her beloved ocean haunts that fuelled her energetic body and spirit for 95 years. Joyce influenced many lives with her energy as an innovative teacher, musician, friend, colleague, and devoted family member. Joyce received her Bachelor of Education from UBC/UVIC when the Bachelor program was first initiated in 1956. Later she was involved in the formation of a Teacher's Alumni at the University of Victoria. Joyce traveled all over the world, first as an exchange teacher in her early days of teaching and still later in life accompanied by her dear friends. This love of teaching and travel extended her knowledge and understanding of world issues and cultures. She always generated a positive spirit that was shared through her love of music. Joyce will be missed by her many friends in Victoria and worldwide. She was predeceased by her dear husband Ivan Flett, and sisters Audrey Pearson (Applegate) and Winnifred (Bunny) Mark (Applegate). She will always hold a special place in the hearts of immediate family members: brother in law Murray Mark, nephew Steven Mark, niece Diane Mark, nieces Barbara Ruddell (Pearson), Joan Beck (Pearson) and Jean Wellburn (Pearson) and numerous grand-nieces and nephews. Joyce's love and infectious energy will continue to inspire us all.
