

Gail Marlene Hunter – VHS Class of 1957

HUNTER, Gail Marlene (nee Potter) August 8, 1939 - December 18, 2016

It is with profound sadness that we announce the passing of our beautiful Mother, Grandmother, sister and friend Gail Hunter. Gail was born in Victoria, on August 8, 1939, and was extremely proud to be a 4th generation Victorian, and even happier knowing that her grandchildren were 6th generation Victorian's. Gail was predeceased by her parents, Clarence and Thema Potter, and her Grandson Jake Dimock. She leaves to mourn, brother Gary Potter, daughter, Nadine (Mike) Dimock, grandchildren, Zac, Derek, and Michelle, daughter, Kim Hunter, and her grandson Jesse. Gail worked at many jobs in her lifetime and enjoyed each and every one of them, such as Dept. of Health and Welfare, Ocean Cement in

Bamberton, CHEK-TV, Finning Tractor, Coast Tractor and John Deere. Gail also spent 13 years as secretary/Manager for the Island Equipment Owner Association in Victoria. For many years Gail played darts in the Victoria Women's Dart League and served as President for 3 years. She always had an interest in player Golf so she ventured back into the game in 1986 and never looked back. Gail had so many great friends at Cedar Hill Golf Course where she spent 2 years as Ladies Captain and many years on the ladies executive. She always spoke very highly of her friends at Cedar Hill, and in particular Jean Frame, Pat Olsen and Jamie Murphy. Mom had a sign on her door that said "I Golf, therefore I am never home." Gail attended S.J. Willis Junior High School when it was brand new, then went on to Victoria High School to finish her commercial training to become a secretary and eventually an office manager. You know that place between sleep and awake? That place where you can still remember dreaming? That's where I will always love you. That's where I will be waiting!! - Peter Pan As a family we are grieving her loss, but please join us for a celebration of her Life to be held at Cedar Hill Golf Course, January 15, 2017 at 1 pm.
