

Alan Martyn – VHS 1971

MARTYN, Alan It is with great sadness that we announce Alan passed away peacefully in his sleep on December 21, 2004 after attending the Salmon Kings game with his children. Predeceased by his parents Bill and Dorothy Martyn, he is survived by his son Taylor, daughter Lindsay (Marc) and their mother Barb in Victoria, sons Richard and Dylan in Kamloops; brothers and sisters Kathi, Lois (Alf), Mike (Ann), Eileen (Rainer), Tom; nieces and nephews Adrienne, Kelly, Alisa, Dan, Daniel and Alexandria; his aunts, uncles, and cousins; and his extended families, the Hunts and Wingers. Born on August 13, 1952 in Vancouver and raised in Prince Rupert and Victoria, Alan was a strong believer in social justice and a life-long labour activist. A natural athlete who had proudly worn the Vic High colours, Alan was an avid golfer at Uplands Golf Course. He travelled extensively as senior vice-president of Altig International, and also promoted new talent in the music industry in both Nashville and Victoria. Despite a serious heart condition in recent years, he lived life to the fullest with his cherished children and with his dear friends everywhere. He will be deeply missed.
