PACKFORD, Robert William DMD June 29, 1947 - December 30, 2017 A wonderful man passed away on December 30th. from complications due to ALS. He will live on in the hearts and memories of his wife, Christine; sons, Kevin (Joey) and Tim (Stephanie); grandchildren, Kasper, Maddie and Charli; sisters, Wendy (Glenn) Robb, Carol Martin and many relatives and friends. A graduate of UVIC and USC, Bob practiced dentistry in Victoria for over 20 years. He traveled extensively, had many interests and always welcomed the challenge of learning something new, be it another language, renovating his home, or building another computer. His quick wit, bright mind, and generous heart will be missed by all who knew

him. And when the moon reflects its silver road on the ocean waves I will smile and think of you. A memorial reception will be announced at a later date.
