Dear Alumni,

My name is Donna Lomas and I am from the graduating class of 1977. Last June I had the honor of being elected Chair of your Alumni Association. Three days after being elected I had the great pleasure of attending the government announcement for the seismic upgrade and expansion of Victoria High School. What a project! This is a huge project and your Alumni Association is committed to providing assistance where we can and support for all those involved in seeing it completed successfully.

Each year the Association does a fundraising drive starting in November. These funds help offset the costs of supporting annual scholarships and help to maintain alumni activities including the smooth functioning of the school archives. This year we need approximately \$14,000.00 to meet our operating goals. All donations at \$25.00 dollars or more will receive a tax receipt. **Your help is needed. When making decisions about your end of the year donations, please consider and support your High School Alumni Association. Come Give a Cheer and help us achieve our \$14,000.00 goal!**

Other donation opportunities include the Stadium Revitalization Project and the upcoming Black and Gold Dinner which is May 23rd 2020, at the Wardroom in Esquimalt. Please consult our website at: <http://vichigh.com/> for more information on these projects. Tickets for the Black and Gold Dinner will go on sale in January.

Finally, I would like to encourage you to think about your Alumni Association as part of your legacy giving. This year the Association received the benefit of two bequests that will help maintain and support new scholarships, provide equipment upgrades for the school and support specialty programming including music, drama and sports. Please consider Vic High and Alumni Association when drafting your final Will and know that your bequest will contribute to the ongoing legacy and success of Victoria High School.

Your Alumni Association thanks you for your support and hopes you have a wonderful 2020.

Sincerely,

Donna Lomas, Chair Class of 1977
