

CLARK, Robert "Keith" 31 March 1953 - 1 January 2020 Son of Lester and Celia Clark, Lil' bro to Dave. Enjoyed a 36 year career with the Canadian Coast Guard as a Welder Fabricator. Made some great friendships with my co-workers and saw a lot of the B.C. Coast while working on the Lighthouses. Born in Victoria, graduated Vic High class of '71. Family was most important to me, aunts, uncles, cousins and close friends, each of you has touched my life. After retirement, always there to give a helping hand to others, enjoyed gardening, bird watching, and walking my dog Tiki which seemed to fill my days. An active member of the Fish & Game and an associated member of the United Empire Loyalist Society. My 12 years with the Garden City Horse Club left me with many great memories. Thanks to my Oswald Dog Park friends for the BBQs, the walks and good conversations. Thanks also to Dr. Dan and Dr. John, the Kidney Care Clinic and others for all your care. No service by request. Time for me to go see some old friends.
