

**BRYSON,
William "Bill"**
**April 23, 1925 –
November 25,
2015** Dr. William
Thomas Bryson, a
kind and gentle
man, passed
peacefully in his
sleep on a
gorgeous fall day.
These last years
were stolen by
gathering
dementia and it is
with sad relief that
he was able to
escape at last. Bill
was a family
dentist who ran a
busy practice in
East Vancouver.
Partnering with
wife Joan in
raising his girls,
Bill was the
recreation
coordinator,
getting his family
out camping,
skiing, canoeing,
beach combing,
horseback riding,
fishing and
swimming in
countless lakes.
Upon retirement,

he had many good years of bird watching, squirrel wrangling, pond building, grandfathering, and gallivanting about Canada with Joan in their RV, along with their dog, Oscar. He will be dearly missed by his loving wife Joan, and his daughters Laurel and Margot. Also missing him are his cherished grandchildren, Travis, Nolan, and Zoe Young, and Bryson and Trenton Galozo. Bill bids a fond farewell to sons-in-law Leo and Drew, brother-in-law Larry Bongie, nephew Chris and nieces Gwen, Brenda, Donna and Jane, plus many caring friends, in particular Debbie, Cathy and Suzanne. We can take comfort in knowing that Bill will be hugged fiercely by his beloved sister Bettye Bongie, who walked this path ahead of him, along with a multitude of pets, between

the two of them, over many years. He leaves us all with these words... "Keep your stick on the ice!" and more recently, "Keep your head on!"
