

# Florence J. (Tulloch) PUPAK – Vic High Class of 1953

(September 30, 1935 - September 04, 2018)

Florence passed away peacefully in Victoria with her family at her side on September 4, 2018 at the age of 82. She is greatly missed by her family and friends. Predeceased by her beloved husband Joe, she will be lovingly remembered by her children, David and Joanne; her

grandchildren, Nick and Samantha, her siblings Marjorie (Phillip), Jim (Gail), and Don (Susan); and many cousins and nieces and nephews. Flo was born in Regina and spent her childhood years in and around the farming community of Dummer, Saskatchewan. Her family moved to Vancouver, and then to Victoria, B.C. where mom attended Victoria High School. Florence worked with the Provincial Government soon after, then yearned for the big city and moved back to Vancouver. There she met Joe, who became the love of her life. They married at Centennial United Church in Victoria and were devoted to each other for over 50 years. Upon moving to Victoria they started a family and

established Pupak Mac Tool Sales together. Flo later worked at Glanford Elementary School, Reynolds Secondary School and Glendale Hospital. She met her Scottish ancestors while travelling to the Orkney Islands with her parents and siblings and then travelled to Hawaii with her daughter before retiring. She then enjoyed her grandchildren and travelled with Joe across Canada, up to the Arctic Circle, all around Vancouver Island, and into the Okanagan in their RV. They also travelled to Australia and New Zealand together. Mom was gentle, kind-hearted and treasured her family and friends. She was fun-loving, greeted us with her warm smile, and she made the time to really listen and let us know she cared. She enjoyed making close relationships, having company over and spending time with her grandchildren. Her love of music was born in a small-town childhood home; it grew when she danced and played favourites on the piano or organ; and it ended with the songs she sang along with almost to the day she left us. May our dear mother know the fullness of joy and pleasures forevermore. Special thanks to her caregivers, nurses, activity workers and many more from The Heights at Mt. View who lovingly cared for mom in her last few years..
