

BRICE, Arthur Charles August 30, 1936 - August 14, 2021 It is with profound sadness that we announce Bud Brice passed away peacefully with his family by his side. He was to be 85 in 2 weeks. Bud is cherished and survived by his loving family. His wife, Leona, of 62 years and his son, Stephen (Marjorie) and their children, Aaron, Nathan, and Alanna. His son, Michael (Colleen) and their sons, Kayden and Liam. His daughter, Valerie (Ralf) and their son, Alexander. His sister, Joan Litster and many nieces and nephews. Bud was predeceased by his brothers, William and George and sister, Miriam Jones. Bud was born in Victoria, BC and lived here all his life. He had a happy childhood and remained close to many of his childhood friends. In particular, Don Paulin of Delta, BC. Bud lead an active life, playing hockey, soccer, baseball, basketball, and tennis in his younger years and tennis, curling, and games nights in later years. Bud was a member of the Oak Bay Tennis Club for over 50 years and curled in mixed and men's leagues for 30 plus years. Always happy, polite and social, Bud made friends wherever he went. Cruising the rivers in Europe or wintering in Palm Springs or wherever there was a tennis court. Bud also enjoyed coaching sports. He was proud to coach a baseball team that went to the World Series in 1968. He was his children and grandchildren's biggest fan. Bud apprenticed and worked at Nicholson-Murdie and then decided he liked working with people better than with machines. He went back to school(UVIC) and became a teacher. Teaching at Reynolds for three years and twenty-five years at his beloved Vic High, in the machine shop. He said his job was very gratifying because many of his students became tradesmen and tradeswomen. For Bud, being at Vic High was like going home. He graduated from there in 1954. Bud always loved to entertain friends, but was happiest when his children and grandchildren were seated at the dining room table. He always said we were blessed to have such a wonderful family. He was so proud of his children and grandchildren. We will all miss Bud's love, caring ways, and gentle guidance, but we are very grateful for all the wonderful memories and magical moments he has left us. We give thanks to Dr. Paul Kachan for the 25 years of care he gave Bud. To Dr. Demott for his care and compassion in Bud's final days. To nurses Sophie, Holly, and Jody, for their comfort and care. A big thank you to all the people who enriched Bud's life. You know who you are. Rest in peace, dear Bud, we will love you forever. There will be no service or celebration of life.
