

EBY LAUREL Marie (nee Minnis), born April 15, 1923, in Victoria, passed away January 5, 2003, just a few months short of her 80th birthday, at Cowichan Regional District Hospital in Duncan, with family at her side. Predeceased by her loving husband, W. Earl Eby, in 1986, she is survived by her children and grandchildren, Dawn and Lloyd Quast, Art Eby (Barbara), Ted and Pat Eby (Jackie, David), Sheri and Chris Anderson (Mark, Eric). Laurel was an avid curler into her 70's, loved bridge and lived for her garden. In the earlier years, she and Earl enjoyed square dancing and camping with their friends. They lived in Victoria until the early 80s, when they moved permanently to their place on Shawnigan Lake. The last three years she resided in Duncan, where she maintained her wide circle of friends. Our thanks to the doctors, the 3rd floor staff of CRDH and especially to Gerald and Sharon of Dogwood Haven for helping us make her last months as comfortable as possible. A Service of Remembrance will be held at First Memorial Chapel, 4725 Falaise Drive, Victoria, at 2:00 p.m., Thursday, January 9. In lieu of flowers Mum's wish was that you could make a donation to the charity of your choice.
