

**LOVE, Kathleen Roberta (nee Morris)
January 21, 1947 - March 16, 2021**

It is with deep regrets from Kathy's family to announce her passing after a long battle with Frontotemporal Degeneration. She was 74 years old. Kathy was born in Victoria, B.C. and passed away at Polson Special in Vernon, B.C. She leaves behind her husband of 51 years Tony, son Neil (Rita), daughter Nona, grandchildren Scarlett, Emmerson, Svea, Celia Dee, Nevaeh, and baby due August 2021. Kathy, one of eight siblings and survived by Virginia, Larry, Robert, Steven and Christine, was predeceased by her parents, Robbie and Jeanette, brother Danny and sister Dianne. Kathy and Tony met at Victoria High School in 1963 and were married in 1969. Kathy worked in the bank for many years until starting her own sewing business. A special thanks to Sue Ward and staff and Polson Special for their incredible care and thoughtfulness that surely prolonged her life. The family appreciates all the effort put into making us feel welcome at all

times. A heartfelt thanks to Dr. Waldron, Dr. Butters, Dr. Kader and Dr. Yu for Kathy's welfare throughout her illness. Our family will announce a celebration of life as soon as Covid restrictions relax.
