

ANDERSEN, Lela A.

November 12, 1914 - August 5, 2016

Lela was born in Coblenz, Sask.

Predeceased by her parents, John and Elvera Kroft; sister, Christina; brothers, Lorne, Raymond and Roy, husbands, Henry Yetman and Paul Andersen. She will be dearly missed by daughter, Lela V. and grandson, Ian Muir; also the many good friends and staff at The Renaissance

Retirement Home and specially grade-seven school girlfriend, Doris Macdonald of North Vancouver who is just senior to Lela A. (They met up at George Jay). Moved to Victoria in 1922, attended Prospect Lake and George Jay. Graduated from Victoria High School in 1931. Retired from B.C. Dept. of Mines 1950-1969. Interests over the years included P.T.A., sewing, gardening, bowling, bridge and lots of travel. Our loving caring Mother and Grandma left us peacefully the afternoon of Friday August 5th. To respect her request there will be no funeral or memorial. Hold this thought - she enjoyed a good long healthy life and did all and more that a 100 years plus had to offer.
