

ASHTON, David Michael

June 27, 1949 - November 18, 2021

On Thursday, November 18th, the world lost a wonderful man. Dave had been valiantly battling cancer this year, and early Thursday morning, passed away peacefully at the Royal Jubilee Hospital. Dave leaves behind his wife Sarah, daughter Liz, and numerous friends and relatives. He left school as a microbiologist, held successful

careers as a lawyer and a chemist, made it into the Victoria Music Hall of Fame, was an accomplished squash player, and ended his career at Don Mann Excavating. He worked closely with the team as the Credit Manager and unofficially the Legal Consultant. Affectionately known around the office as "Super Dave", he was never short of a story or a smile to share. Our thoughts are with Dave's family and those closest to him. He's left us all better for knowing him. There will be a celebration of life at the Shelbourne St. Church of Christ, Tuesday, December 7th, at 4 PM. Mask and proof of vaccination are required. Seating capacity is 120. In lieu of flowers, please make a donation to the Victoria Philharmonic Choir. Everyone who knew Dave, would say that he lived his life with such love for his wife Sarah and daughter Liz Ashton. Rest in peace Dave.
