

CHEWPOY, Robert Brian

November 1946 - June 2019

Rob passed away peacefully at his North Saanich home: the home he built for us 50 years ago. He will be missed by his wife Sharon, sons Bradley and Michael (Janella); brother David (Pam) and brothers-in-law Bill and Bob (Jill) Timmins and their families. He was a lifetime member of Local 324, retiring in 2004 after completing the Royal Jubilee Diagnostic & Treatment

Centre as the Mechanical Superintendent. Memories on which Dad reflected most fondly include Glad Tidings Brass Band, Farmer Construction football team (1963-65), fishing the inlets of Vancouver Island, summers at Qualicum Beach, family trips to the MLB stadiums of California, restoring his '67 Porsche, Victoria Mariners baseball games and Wednesday coffee club. We are forever grateful for Dad's sacrifices which enabled us to pursue our athletic and academic goals.
