

ESSIHOS, Richard

February 12, 1952 - July 29, 2017

It is with great sadness that we announce the sudden passing of Richard. He fought hard but lost the battle of pancreatic cancer. Richard was a hard-working selfless man who would do anything for his family. His sincere and genuine nature made him likeable to just about anyone he met. He truly listened to people and cared about what they had to say. His love for sports and fitness brought an excitement

to him that was really special. He also developed an interest in travel where he recently visited Thailand and Australia to visit his son Lance. He had big plans to do so much more. Richard was predeceased by his father Emmanuel, mother Lois, Uncle John, Uncle George and beloved son Skylar. He is survived by his loving sons Aaron and Lance, and cherished sisters Lori and Corinne. Whatever Richard did, whether it was family issues, work or business, he did with passion and love. He would go out of his way to do anything for anyone who needed help. He was truly a unique and genuine human being. He made an impact on so many people's lives. His kind and loving soul will stay forever in our hearts.
