

HIGGINS Brian (1965)

1947 - 2004

Sky Bri' has taken early retirement after all. Brian Higgins, age 57, left this planet on Sunday July 11, 2004. He is most beloved father person to Brenda (aka SAL), Kerry (aka HERBIE), and Kirsten (aka PHEG). Along his journey he touched the lives of so many people and he will be forever missed. He taught us all lessons about laughter, humility, music, purpose, love, and being a light in the darkness.
