

REECE, James Cullen CPO1 ERA, MMM, CD

Passed away in his fortieth year of military service, on Monday March 14, 2005, from asbestos related cancer. Left to cherish his memories and workshop creations are his wife Leslie, sons and their families, Tony, Carole and baby Rosie, Steve, Lisa and baby Alanna, his Mom Jean Barrick and sister Joanne Reece and her family. Survived by his in-laws, Darrel and Shirley Nute, brothers-in-law Jim Nute and Dave and Ann Nute and their family. Remembering his great sense of humour and wonderful stories are his Aunt, cousins, niece. and nephews and their families. He will be greatly missed by his golfing, camping and boating buddies. Jim was a man of integrity and highly respected in his career. He had heart to heart chats with everyone about work ethics, family values, traditions, and responsibilities. He loved his family and home, camping, golfing, kayaking, fishing, walks, riding his bike on the Galloping Goose Trail and of course playing in his work shop. He gave 110% to everything he did in life. These past few months have been extremely difficult but we would like to thank family, friends and co-workers for their help and support as we continued to make special memories with them.
