

COOPER, Wendy Ellen (nee Copeland)

(1941-2022)

Beloved wife and friend of John, proud and loving mother of Christopher (Roshan) and Lindsay, devoted grandmother of Nilu and Shirin, sister of Brian (Debbie), sister-in-law of Margaret, Pat, Frank (Stephanie), and Lynne (Harry), and aunt to many nieces and nephews. Wendy was an intrepid kayaker, hiker, camper and all-round west coast nature lover; an adventurous traveler whose explorations took her to Ellesmere Island in the north, Patagonia in the south and many points in between; a lover of good books, great food and wine, summer boating, Horne Lake, and spending time with family and friends; a proud graduate of the Royal Jubilee Hospital School of Nursing and the University of Victoria where she earned her Master's degree at the School of Nursing; a respected nursing educator at the Royal Jubilee Hospital and Camosun College; and a great friend, mother and grandmother who will be sorely missed by the many whose lives she touched. Special thanks to Dianne Perry, Kate Pharis, Fern Davey, Isabelle House and the many other former colleagues and students who cared for Wendy and her family with such love and compassion during her final days. Private celebration at a later date. Flowers declined. Donations in lieu of flowers to the Wendy Copeland Cooper Award to support nursing students at the University of Victoria would be greatly appreciated
