

**Jacobsen, Eileen Daphne (1960)**

We are sad to announce the passing of Eileen on April 21, 2022 at the age of 79. She was born in Vancouver to Harold and Catherine Jacobsen. She spent her childhood years in Cumberland then moved to Victoria. After completing her degree at UVic, she had a long and successful teaching career with the Saanich School District. She had an eye for beauty which she expressed in her lovely watercolour paintings and through her personal possessions. Thank you to Selkirk Seniors

Village for their support and care over the last 4 1/2 years. Eileen was a true and loyal friend and will be missed by her many friends.
