

**CRAWFORD, Glenson James BSc, CA, CFP, CLU
(1960)**

July 07, 1942 - May 19, 2022

Glen was born and raised in Victoria to Christina (mother) and James Gillespie (father). He was a graduate of Victoria High School and later a member of the first graduating class from the University of Victoria. He is survived by his wife of 55 years Maureen (Moe) and their son Kevin (Tanya) and his 3 precious granddaughters - Ava, Grace and Kate. Also survived by brother Lyle and

cousin Stan Sinclair (Margaret). Glen was a workaholic - loved what he did - started articling at Ismay Boiston Dunn and Company in the mid 60's and eventually became a partner in the now KMPG. He met some wonderful people - helped so many. Took early retirement from KPMG to pursue personal financial goals and at this time studied for and received his Chartered Life Underwriter. This part of his career was very fulfilling as well and again met many wonderful people. During his long career he served on many boards - a few that he especially enjoyed and cherished are - Victoria Airport Authority, Pearson College, Victoria Golf Society and the Saanich Police Board. Other than his career - his other greatest passion was playing golf. He was a lifetime member of the Victoria Golf Club and he shared his passion with Kevin. I think between them they played every course on Vancouver Island and they took many golf trips together. Pebble Beach was a great trip (twice) as was the trip abroad to play The Old Course at St. Andrews. And of course while there they also visited a few "Scotch" distilleries - their personal beverage of choice for them both. Another of their great trips was organized by Tanya - to walk Augusta National - and enjoy The Masters - seeing some of the best golfers ever. They talked about this one forever. During Glen's outstanding life - he had but one goal - and that was to help people any way he could - he did just that. Our most sincere thanks and appreciation to all the doctors, nurses and other staff at the Victoria Cancer Clinic, the Palliative Care Unit (RJH) and the Victoria Hospice Center (RJH). You are all such amazing and compassionate people - our hearts go out to you all. No service by request.
