

GARY DUNKLEY (1963)

October 02, 1945 - July 04, 2022

We are saddened to announce the death of Gary Dunkley. A brain tumour was discovered in late June and his health declined rapidly thereafter. Gary passed away peacefully in Victoria Hospice on July 4th. Gary leaves behind Lynne, his wife of 48 years, his brother Reg (Maureen) and nieces Robin (Marcus) and Genevieve (Christoph) as well as his extended family. He loved following the daily antics of great nephew Andrew and great niece Evelyn.

Born in Matsqui BC in 1945, Gary spent the next 76 years in Victoria. He grew up in Fairfield and graduated from Victoria High in 1963. His lifelong passion for music was fostered in the Vic High Band and Gary and Lynne rarely missed a concert in Beacon Hill Park.

He spent 35 years working as a Renal Dialysis Technician in the Royal Jubilee Hospital. The mechanical challenges and interaction with patients made this job enjoyable and rewarding.

An avid automobile enthusiast, Gary preferred the stylish British motors of yesteryear such as his beloved Morgan sports car. He spent many happy moments with Lynne watching otters cavort and eagles soar from their oceanside balcony. He will be fondly remembered for his kindness, friendly smile and hearty laugh. Thanks to Victoria Hospice for ensuring that his final journey was comfortable. No service is planned.
