Bylaws Updating Task Force *September 14, 2022*

ISSUE: Board Discussion of Bylaws Update Progress and Next Steps

PROGRESS REPORT:

- To recap, a current working draft of modernized bylaws was initiated by retired legal counsel and Task Force member Brian Day, customized to support Association business requirements. An initial working draft was submitted for legal review and feedback in March 2022. In May 2022, a Board review session was held where feedback and input was received and discussed on assorted topics that will need to be carefully considered and incorporated in updated draft bylaw revisions going forward.
- The Bylaws are intended to supplement the Societies Act specific to Association requirements. Any issues not addressed in the Bylaws default to Act provisions. As a legal document the devil is in the details.
- Although the Societies Act offers model boilerplate bylaws, in reality society bylaws are highly customized specific to each society's membership and business requirements.
- **Key issues to be addressed:**
 - **Revised timetable and target meeting date for member approval.**
 - **Extension of Task Force Charter from June 30, 2022 to April 30, 2023.**
 - Revisions to current working draft to incorporate May input from directors.
 - Further assessment of current draft for clarity and completeness relative to Act requirements, including additional benchmark review of other society's bylaws.

ACTIONS/NEXT STEPS:

- **Motion to amend Task Force charter to extend effective date to April 30, 2023.**
- **Provide updated draft bylaws for Board review by November 1, 2022.**
- **Member approval > propose member special general meeting date March 2023.**

This schedule will allow a reasonable timetable for additional review and refinement of the working draft through fall 2022, including Board consensus on draft bylaws prior to further legal review.

Bylaws Updating Task Force Charter

Georgina (Lim) Harrison Bursary Terms of Reference

AWARD PURPOSE AND ELIGIBILITY

The Georgina (Lim) Harrison Bursary is awarded annually to a deserving Victoria High School graduate who intends to pursue a career in accounting, bookkeeping, office administration/assistance, marketing, or hospitality management. Special consideration will be given to students who are entering a certificate or diploma program, and applicants who have demonstrated a commitment to embracing and supporting diversity and inclusivity at Vic High.

The bursary is named in honour of Georgina (Lim) Harrison, a student in the Commercial program who graduated in 1955. She continued her post-secondary studies at Sprott-Shaw College, and eventually worked for a Deputy Minister in the BC Provincial government.

She and fellow student Barrie 'Buzz' Harrison knew each other at Vic High; however, they pursued separate marriages and children. Buzz went on to a career as a teacher, then school principal in the Sooke School District. Buzz and Georgina reconnected at their Vic High Class of 1955 30th reunion, by which time they were both single parents. That reconnection led to a long and very happy marriage.

Both Buzz and Georgina credit Vic High's culture of inclusivity with instilling in them a respect for all people, regardless of race or ethnicity or any other means by which some people seek to divide or demean others.

The Vic High Scholarship Awards Committee is responsible for nominating a student for this annual bursary based on the stated eligibility criteria within these terms of reference.

ANNUAL AWARD TARGET: \$750 with the annual award amount subject to the Available to Grant balance through the Victoria Foundation.

IMPLEMENTATION DATE: An initial award of \$500 available in 2022, growing to the annual award target of \$750 in subsequent years.

FUNDING SOURCE

The annual award has been source funded by an initial principal donation of \$10,000 from Mr. Barrie (Buzz) Harrison and Mrs. Georgina (Lim) Harrison received in December 2021, followed by an additional donation of \$5,000 from the Harrison family in May 2022. Donations received by VHSAA will be endowed in the Victoria Foundation (VF), and may be supplemented by future third party donations.

Based on the current annual VF grant rate of 4.75% (annual rate subject to VF Board approval), the annual Available to Grant balance for this bursary will approximate \$750 commencing in 2023 subject to future growth in the endowment balance and the annual VF grant rate. If the annual award issued is less than the available VF grant in any given year, any unused grant amounts will accumulate to fund future awards within the terms of the Fund Agreement.
