

DAVID CHEWPOY (1961)

June 10, 1943 - February 23, 2023

It's with broken hearts that we announce Dave's passing on February 23, 2023, surrounded by family. He was born in 1943, in Noranda, Quebec.

Dave was a 'legend' at the ballpark! For most of his life, he could be found playing fastball and coaching his wife and two daughters -- This brought him the most joy in life -- He was so proud

of his family. Those who knew Dave know how passionate he was about fastball. As coach, he led his teams to many Provincial and Western Canadian championships (Thanks, Ladies!); he was President of the VSWSA at Hyacinth Park for several years. Dave had a general love for most sports, especially football (Go Raiders!). He enjoyed his weekly lunches with his tight group of 'good guys', he truly valued those lifelong friendships.

Dave is predeceased by his mother and father, Tanya & David Chewpoy, and his brother, Robert Chewpoy (Sharon). He is survived by his wife of 42 years, Pam Chewpoy; daughter, Sandi Walmsley (Darryll); daughter, Natasha Chewpoy; 3 grandchildren, Jenna, Colton and Ty; and nephews Bradley and Michael Chewpoy.

Special thanks to Doctors Inman, Yip and Lee and all VIHA and Viva staff for their assistance over the years.
