July 20, 1940 - September 14, 2023 (1958)**

Dr. Geoffrey (Geoff) W Arundell, born in Vancouver, BC, passed away peacefully in his sleep at Douglas Care, Trillium, Victoria, BC. Survived by brother Rod Arundell, nieces Tanya (Erik) Arundell and Leah Arundell, and remembered by longtime friend Gordon Eekman. A special thank you to the team at Douglas Care.

Geoff graduated from Victoria High School, Victoria College, Medical School at UBC, and specialized in anesthesiology at Lions Gate Hospital. Geoff was a world traveler, collector, archivist, an avid reader, and a history buff. Always generous and caring, we will miss him. Drink a toast and remember him with a glass of scotch.
