

**JANICE DALE MACNEILL (Nee
Kimmerly) (1965)**

April 29, 1947 - November 17, 2005

"When you lose a friend you love, you gain an angel you know" After years living life to the fullest, loving tropical islands with their turquoise waters and

cool white sands, palm trees and golden sunsets, Janice drifted off to her eternal palapa, free from pain, cradled in Scott's arms. All who were privileged to know Janice, knew her as a beautiful, kind, warm, gentle hearted woman - a true free spirit with a passion for reading, music, theatre, and travel. She had a wonderful serenity about her that filled everyone around her with peace. She loved her family, her home, her friends and her work. Compassionate and giving, people were drawn to her quiet nature and enriched by her friendship. She was daughter, life companion, wonderful sister, steadfast friend, awesome aunt. Her time with us will always be treasured by her loving husband, Scott, her father, Ross (Arlene), mother, Phyllis (Lundy), sisters, Pat (Alf), Laura (Fred), Joanne (Dave) and brothers, Rob (Gordon), Bill (Jennifer). She leaves beautiful memories with her nieces and nephews, Carrie, Doug, Kristi, Nicole, Evan, Kendalle as well as Godchildren, Jesse and Jenna. A special thank you to Trudi Clark, Janice's closest and dearest friend, for her constant support and love. We wish to thank the staff of Hospice House and the Doctors and Nurses of the Vernon Cancer Clinic for their wonderful care and support and welcome donations in Janice's memory to these organizations. While she was always planning her next trip, this one she did not. Her time with us was precious and far too short, but Janice touched so many lives and she will live forever in our hearts and souls. A Celebration of Life will be held on Sunday, December 4th, 3-5pm in the Vernon Lodge Courtyard Garden. Remember Janice when you light a candle, take in the beauty of a flower, Enjoy great music, relax with a margarita on the beach
