

KENT NOEL ALLAN

1935 - 2023

We are sad to announce the passing of Kent Allan on July 12, 2023, in Victoria, BC. He died peacefully under the care of the medical team at the Victoria Royal Jubilee Hospital, with family by his side.

Kent was born on December 8, 1935, in Los Angeles, California. Kent is survived by his wife of almost 60 years, Gloria; his only daughter, Julie Muir (Robin); granddaughters Katherine Deigan (Mike) and Sara Turner; his great-granddaughter Nova; his brother Keith Allan (Melba); and

many nieces and nephews.

Kent retired as the proud owner of a successful corporate identify company, Kent Allan Design Group (KADG). Over the years he had offices in Victoria, Vancouver, and Calgary, where he assisted clients with their corporate identity programs. He was dedicated to assisting many major companies with their brand identity, such as VanCity, CBC, BC Ferries, Calgary Stampede, Suncor, Norske Skog, and Petro-Canada, to name just a few. His years of dedication and outstanding creativity can be appreciated through many of the logos and brands that continue today based on his professional design work.

Kent will be greatly missed for his kindness and generosity, his quick sense of humour, and his passion for enjoying life to the fullest. He was such an inspiration to us all. If you wish, in lieu of sending flowers, consider a donation to an organization of your choice.
