

BURBRIDGE, Darlene Lois (nee Irwin) (1957)

1940-2010

Darlene passed away peacefully at home on April 23, 2010. She was predeceased by her two infant children, her father, mother and siblings. She was born in Weyburn, Saskatchewan on November 14, 1940.

She moved to Victoria as a young child, grew up and attended Sir James Douglas, Central Jr. and Victoria High schools.

She is survived by husband Brian; daughter Donna McArthur (Stan); and grandchildren Leah and Bryden.

She was involved with community events, both at her home in Courtenay and Indio, California. She loved her volunteer work at St. Joseph's thrift shop. She led an active, social, fun loving life; telling the same laughable jokes, year after year. Darlene wanted her home care nurses to know how much they brightened her day. She always said "How blessed I am to have such a wonderful family and so many great friends. I've been a very lucky lady. Thank you all.
