

Alumni Award for Hairstyling

Dear Alumni Association,

I am honored to be the recipient of the Alumni Award for Hairstyling. I am Durga Phelan, a level one hair stylist starting out in the industry. I am so excited to continue on this path of creativity and learning. This award will help me obtain more training and expand my skill set. I intend to use your contributions toward my own equipment.

Vic High has given me the opportunity to explore this career path through the hair program. I am eager to see the program thrive and expand. This program has helped me and so many others. I am looking forward to what I can contribute as a future alumni. Thank you so much for your generosity.

Sincerely,
Durga Grace Phelan
