

Alumni Award for Modern Languages

Dear Vic High Alumni Association,
I am writing to you to express my gratitude for the honour of receiving the Alumni Languages Scholarship. Languages have been the center of my studies at Vic High, including spanish classes and the french immersion program. I have had the privilege of studying under fantastic teachers, who have inspired me and given me a love of learning. Having the ability to communicate in multiple languages is invaluable, and opens up many opportunities. I intend to uphold and expand this ability in my post-secondary endeavors.

Next year, I will be attending McGill University in Montreal. I am entering the anthropology program, where I will continue to study spanish and plan to take courses in hispanic literature and culture. Living in Quebec will give me the opportunity to put my french language skills to use and fully appreciate the unique francophone culture of the city. I hope to travel in the future, particularly to Europe and South America.

Thank you again for your generosity and support.

Sincerely,

Bella Leopkey
