

Alumni Award Technical Education

Dear Vic High Alumni Association,

I am honored to have been selected for the Alumni Award for the Technical education Association and wish to thank you for your generous support. I have thoroughly enjoyed my experiences in Tech Ed, particularly in Autobody. I have learned many skills that I will continue to use after graduation. Over my years at Vic High I have prided myself on being a kind, welcoming, enthusiastic member of our community who likes to spread joy throughout our school. I see myself as an inclusive and positive role model and have loved helping my classmates. I am passionate about my health and fitness as well as automotive technology and am motivated to keep as passions throughout my life.

I have been accepted to Camosun College this September and I am extremely excited to pursue studies in Business and Human Resource Management. I intend to pursue a career in entrepreneurship after my studies. This scholarship will go a long way in helping me with what I want to accomplish. Thank you again for your generosity and support.

Sincerely,
Hunter Jackson
