

Alumni Bursary

Dear Vic High Alumni Association,

I am honoured and grateful to be accepted to receive this Alumni Bursary and would like to extend my gratitude!

I am a neurodivergent, Métis and Non Binary person who loves to draw and is passionate about studying people and supporting them. I have been in good academic standing ever since my first year and continued to be committed to my academics. I have participated in many clubs and groups at school to benefit our community such as leadership, green team, musical theater and the grad committee here at Vic High. I am also a frequent volunteer at South Island

Studio's Piano camp and an enthusiastic part time employee at the Cineplex Odeon downtown. I am an empathetic, kind, patient and trustworthy person who will always support others. As a graduating student this year, I have been conditionally accepted into Uvic to take an undergraduate study in Psychology: Bachelor of Arts! I also have been given the opportunity to participate in the Social Sciences Scholars Program in my first year and I plan to apply for Co-op in Psychology in my second year. I hope to help people with mental health issues who may be less fortunate than me and didn't have access to the resources and support I did. With this scholarship I will put it into my academic aspirations and continue to find ways to benefit my community. Thank you for your consideration and support!

Sincerely,

Bryn Eileigh Bailey Anderson
