

Class of '68 Spirit Scholarship

Dear Vic High Alumni Association,
I cannot express enough how utterly grateful I am to have been selected for the Class of '68 Spirit Scholarship. As someone who has worked very hard to enrich the Vic High community - primarily through the arts, I feel very fortunate to have had my efforts recognized in this way. For the last 4 years, I have committed all my free-time to the school's Musical Theatre program, and I'm always looking for ways we can get people excited about the performing arts!
As I tend to incline myself towards leadership positions; my time at Vic High has allowed me to hone in on exactly what kind of leader I want to be in other areas of my life, especially after graduation.

Obviously, learning to balance the 4 rehearsals a week on top of my regular classes was a challenge at first, as I love school but used to struggle with my time management skills. Still; I managed to make the juggling work; and now I feel confident in my abilities. I always strive to get grades I can be proud of!
The last few years have brought considerable change in my life, and I feel I am a more capable, excited, wise, driven, and informed individual because of the values Vic High has instilled in me. This scholarship will allow me to move forward with my education (As of right now I plan on becoming a teacher one day). I'm looking forward to all the opportunities this scholarship will present to me!
Thank you again for your generosity and support!

Sincerely,
Ruby Wallace
