

## Dorothy Evans Music Bursary

Dear Vic High Alumni Association,

I am incredibly honoured to have been selected for the Dorothy Evans Music Bursary and wish to thank you for your generous support.

My name is Anise Russow and I am an accomplished vocalist and multi-instrumentalist. Music has been my greatest focus and passion my entire life and I have hoped to become a professional musician since the age of 8 years old. I have been performing around Victoria at a professional level for nearly six years, ever since I joined the Vic High R&B Band in 8th grade. It is with great appreciation for the experiences that group has given me and all the extremely generous people who have supported me that I can say that I have been a part of over 5 bands over the last 3 years along with being a guest vocalist at many separate events. Music truly is the world's greatest form of communication and I am consistently thrilled to be given opportunities and support to continue to share its impact.

This bursary will be going towards my college tuition in the fall. I have been accepted to Humber College in Toronto where I will study jazz vocals in their Bachelor of Music program. During my studies, I will continue to perform whenever possible and will work towards being a performer to the absolute best of my ability, while making life-long connections and building my interpersonal network within the music industry. I cannot wait to explore a larger scene and challenge myself to reach my full potential in music.

Thank you so much once again for your generosity and support. It is extremely appreciated by myself and my family.

Sincerely,

Anise Russow
