

Ellis Award for Visual Arts

Dear Vic High Alumni Association,

I am sincerely honoured to have been selected as the recipient of the "Ellis Award for Visual Arts" and wish to thank you for your generous support. Thanks to your generosity, I will be able to focus more on my career and personal goals.

I am currently a Grade 11 student and will graduate the following year. I am working hard in my studies, maintaining my grades in all of my classes, and have thoroughly enjoyed my courses. I am interested in drawing, painting, and sculpturing. I am focusing on my art courses to gain more knowledge and improve my artistic abilities. Also, I am actively participating in several art activities outside of school including landscaping, photography, etc.

My plans for after graduation are to find work in order to manage my financial interests and prepare for the future. I am also planning to volunteer my extra time in a community setting as a way of repaying the generosity I have received. After that, I would like to pursue further education in my chase to become a successful Architect.

Again, I am truly thankful for your generosity and support. Receiving this award has boosted my self-confidence and made my goals more reachable.

Sincerely,

Kathleen Heart Caparas
