

Kenneth R. McCulloch Memorial Bursary for Higher Learning

MARIJKE VAN MIL

To the family of Kenneth R. McCulloch,
As the recipient of the 2023 Kenneth R. McCullen Memorial Bursary for Higher Learning, I wanted to thank you for funding this scholarship. Like Mr. McCulloch, I've enjoyed my years at Victoria High School. Currently, I am enrolled in the University Transfer program at Camosun College this fall and on track to transfer to the University of Victoria in two years. My goal is to apply at the University of Saskatchewan to become a Doctor of Veterinary Medicine. For a few years now, I work in cleaning and maintenance at Kindred Spirits Veterinary Hospital and volunteer to walk dogs in the evenings at the Victoria BC SPCA. I work 10 hours a week to help fund my education. Thanks to this scholarship, I will be able to keep my work hours low and focus more on my studies.

Thank you again for your investment in Victoria High School and students like me. I truly appreciate your generosity! In the future, I hope to give back to the community and hire a student in my own veterinary practice.

Sincerely,
Marijke van Mil
