

Scrappy Jack Bursary

Dear Alumni Association,

I am honored to have been selected for the Scrappy Jack Bursary and wish to thank you for your generous support. I would consider myself a creative and artistic person who is interested in the art of filmmaking. I have a deep passion for pursuing my future goals in the film industry and am excited to put in the hard work.

I am off to Vancouver Film School next year and hope to learn much more about my future career and strive to achieve future opportunities.

Thank you so much again for your generosity and support.

Sincerely,

Rylan William Turner Bourne
