

Daniel HESS (1962)

It is with a lot of sadness that our family announces the passing of our Husband, Dad and Bumpa. Married to Sandi for over 51 years and raised two daughters that he was so proud of, Chantal and Tiffany.

We know he felt very fortunate to get two wonderful "sons", Shaun and Cliff when his girls got married. He was a proud Bumpa who adored Jackson Daniel, our amazing diver and Georgia Grace, our beautiful gymnast.

Danny was a dedicated Public Servant in the BC Government for almost 53 years. If you knew Danny, HESSIE, Dano, you knew that he loved to make people laugh and he did this right to the end. He was so proud of the life and family he built with Sandi. He loved us well and was well loved. We are grateful for all the time we spent with him in his final months.

Thank you for a life of laughter, love and generosity. We will miss you Dad. Private family celebration only. HESIMO out!!!
