

**Beverley KIRK (nee Hughes) (1956)**

After a brief illness, Beverley passed away peacefully at VGH, her children by her side. She leaves her daughter Kathy (Brian) Kirk-Hanson, sons Keith (Melanie) and Kenneth. Grandchildren Crystal, Erik, Nathan and David, great-grandsons Benson, Miller and Elliot. Also many nieces, nephews and extended family members.

Predeceased by Bob, her loving husband of 56 years and their many beloved Springer Spaniels.

This past summer we were fortunate to celebrate Bev's 85th birthday with a wonderful surprise party attended by many immediate and extended family members.

Bev lived her entire life in Victoria, enjoying the last 4 1/2 years as a resident at the Berwick Royal Oak, where she continued her love of crafting and gardening, sharing her knowledge and hiding tomato plants among the flower pots. She participated in many charitable events and enjoyed so many new friendships.

Beverley, Mom, Auntie Bev, or Nana, she will be dearly missed by many family and friends.
