

Emily EWING (2010)

May 04, 1992 - December 12, 2023

With sadness and broken hearts, we share the passing of our beloved Emily. Born May 4, 1992. Emily was funny, smart, artistic, loving, non-judgmental and compassionate.

Aside from being the biggest Harry Potter fan and Disney lover, she had a gift for solving a Word Scramble in seconds. If you challenged her, you'd lose. "Sorry, NOT sorry", she'd say.

Missing her now and forever are: her parents Kris (aka Mamadukes) and Dave (Dad), Alysha (Best Friend & Baby Sister), and her precious son Bentley. Also mourning are; Ronnie and Janice Thompson of Nanaimo, the entire Ewing clan, the Nelthorpe families, cousins, aunts, uncles and dearest friends. Oh and mustn't forget, Oliver (family dog).

Emily had a bad relationship with the devil, who, sat on her shoulders more than the angel. May she be at peace knowing those effing demons cannot touch her beautiful soul.

Emily would have been delighted to know that she had the opportunity to save nine lives, via organ donation.

With this, her family finds immense comfort.

"Rest in peace beautiful daughter. Your memories and love will always be shared with Bentley. When you reach Heaven, show off your 'Ewing Dance'."
