

Barbara Blevins (nee Tupman) (1950)

Our lovely Mom passed away a few days after her 92nd birthday. She leaves her daughters/families to cherish all the wonderful memories we gathered together all these years. Daughters Cheryl (Gene), Vicky and Colleen (Steve) along with her grandchildren Adam (Jessie), David and Kevin (Christina) and great-grandchildren Ellie, Payton, Raelyn, James and Samantha. Mom will also be missed by sister-in-law Dee and numerous nieces and nephews.

Mom was predeceased and forever heartbroken with the sudden death almost 40 years ago of our Dad/Husband, Jack, as well as her Dad and Mom (Len/Veda Tupman), sister/husband (Doreen/Les Osland) and brother-in-law (Roy). Mom worked 25+ years at The Bay, enjoyed getaways to our Bowser cabin, card games with neighbours/friends, knitting, motorcycling, holiday gatherings, sporting events/activities and our horse Royell.

Mom will always be remembered for her thoughtfulness, kindness, unending reserve of patience toward our diverse lifestyles and variety of pets. Private family gathering has been held. Hug those close. If you wish, donate to something that warms your heart. Our Moms...loved with all our hearts, forever missed, always in our thoughts.
