

Shirley Burnham (nee Price) (1953)

Known for her beautiful smile and contagious laugh, Shirley was beloved by many and considered one of the kindest people you could meet. Any time spent with family was the highlight of her day. Shirley took great joy in socializing over bottomless coffee around her kitchen table, volunteering, and watching the kids' sports games. She fondly recalled family camping trips, especially to Parksville. She was a dedicated Mother, Wife, Daughter, Grandma, Great Grandma, Friend and Neighbour. She was predeceased by her husband of 56 years, Art, and parents, Jessie and Chester Price. She will be lovingly remembered by her 4 children, Doug (Brenda), Don (Shelley), Andy (Sheryl), and Kathy (Tim), 8 grandchildren, Cheryl (Clint), Shannon (Stuart), Britt (Ryan), David (Emma), Ashley (Justin), Danielle (Dustin), Shayla (Frazer), and Grant, and 9 great grandchildren. How lucky we are that you were ours.
