

Stewart Fyfe (1968)

After living with leukemia for 3 years, Stewart Darwin Fyfe left us on June 14, 2024 with family by his side.

Born in Victoria, BC on May 1, 1950, Stew leaves behind his beloved wife of almost 50 years, Jean, their daughters Heather (Hamish) and Michelle, and grandchildren Sylvie, Evan, Dylan and Charlie. He also leaves behind brother and best friend, John (Donna), their children, Alan, Tina and Yvette; sister-in-law Susan (Norm), brothers-in-law Bruce and Murray (Deb), brother Ken (Millie) and their families. He was predeceased by his parents, Edward and Thelma.

Stew worked for VIHA for over 40 years where many connections were made. He had an infectious enthusiasm for life and always had a project on the go. He kept himself busy with many interests, always learning something new or heading off on an adventure with family. Fishing, hunting, camping and boating were lifelong pastimes. He was at home navigating the coastal waters on the family boat, of which he had many over the years. A big project was building a 36' steel hull Robert's design boat with brother, John. Stew was honored to be a lifetime member and Past Commodore of Capital City Yacht Club, forging many friendships in that community.

Even when faced with a terminal diagnosis, he carried on as usual, always with a smile and a "How's it going, anyway?" He was most comfortable being a friend and host, whether it be at the annual Fyfe Christmas Party, on the boat, or meeting friends for coffee. Those who knew him describe a friendly, generous, welcoming guy who made those around him feel at ease. He had a wonderful relationship with his mom, and her influence carried on through his caring and devotion to family. Nothing brought more joy than being with his children and grandchildren, whom he was so proud of.
