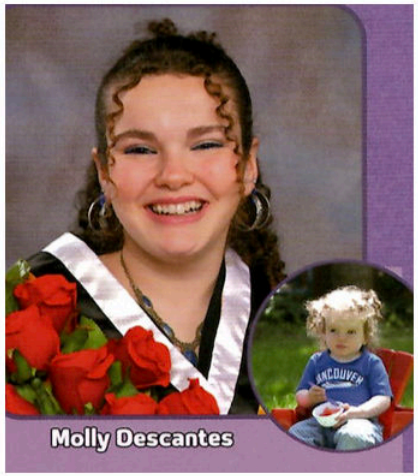
Reg Reid Leader Scholarship



Dear family of Reg Reid

I am honored to have been selected for the Reg Reid Leader Cup and Scholarship and wish to thank you for your generous support.

My name is Molly Descantes and I am a grade 12 student at Victoria High School. I am an active member of my school's leadership, Vital Youth and Athletics programs.

Last year I was selected to be one of Vic High's student representatives for SD61. With this role I had the privilege of organizing a Wellness Resource Fair. The Wellness Resource Fair included 30 booths of organizations committed to Wellness over areas such as mental, physical, spiritual, and nutritional. The fair amassed over 800 students from the seven high schools and one middle school of SD61.

I have displayed consistent attitude and effort in all areas whether it be my studies, leadership or even my soccer team, a sport that I have been involved in for the last 13 years. I showed up to school early and stayed late for support with my complex math and science courses.

Due to my Métis ancestry and artistic abilities I also had the chance to design my school's orange shirts and a canoe that can be found in the pavement outside Vic High. I plan to continue my studies of the French language in post-secondary. My goal is to continue with my leadership specifically in the area of mental health and wellbeing. I plan to pursue a degree in humanities at UVIC.

Thank you again for your generosity and support
Sincerely,
Molly Descantes
